real estate today®

Index to Volume 16
1983

Presented in the following pages is an index of all articles, authors, and subjects that appeared in **real estate today®** during 1983. Page locations of items listed in the index are indicated by a one- or two-letter prefix identifying the month of publication (next page) followed by the page numbers where the referenced article or passage of interest may be found. Listings under a given subject heading are presented in chronological order; subentries to the main entries are listed in alphabetical order. To distinguish different types of entries, different styles of type have been used: boldface indicates article titles; italic indicates authors, published periodicals, books, reports, or audio-visual programs; all remaining entries appear in regular type.

This index is offered as a service to members of the NATIONAL ASSOCIATION OF REALTORS® and to other subscribers of **real estate today®**, who are urged to use their own back copies, or library copies, to locate references of interest. If the reader does not have access to these copies, back issues, when available, may be ordered from the Catalog Sales Department, NATIONAL ASSOCIATION OF REALTORS®, 430 North Michigan Avenue, Chicago, Illinois 60611–4087; 312/329–8217. Individual article copies also are available from University Microfilms, Inc., 300 Zeeb Road, Ann Arbor, Michigan 48106.
